

# INLA Code of Ethics

To regard the nursery business as an honorable and necessary profession, and to conduct myself and my business in such a manner as to enhance the standing of my vocation in its public acceptance.

To deal fairly and justly with my customers and to condemn all forms of practices which tend to discredit the nursery industry or injure its public relations.

To strive constantly and assiduously to improve my qualifications and proficiency in the industry and thereby merit the approbation and esteem of others.

To adhere to the By-Laws of the Association and the Code of Fair Business Practices of the Association and to foster its objectives.

Code of ethics adopted January 22, 1953, by the Indiana Association of Nurserymen at Purdue University.
