## TEST INFORMATION - Please select the test designation/s you will be taking and indicate member\*\* or non-member rate.

To become Landscape Industry Certified an applicant must pass at least one designation and must have a minimum of 2,000 work hours experience in the green industry. Additional designations can be taken at future test dates. Applicants may test prior to completing work experience, but will not be awarded certification until the experiential requirement has been met.

Fee includes first time written and field exams. Retake fees are based on problems missed. Select no more than two categories per exam date.
