

2020 PROFESSIONAL LANDSCAPE MANAGEMENT SCHOOL

This two-day event provides training for landscape contractors and architects, arborists, horticulturists, and those working in associated industries. Leading experts and specialists will be presenting current, research-based information on best management practices relating to various topics, such as insect and pest management, plant health and care, weed control, and more. Continuing educational credits will be requested for pesticide applicators, arborists, and IAH license holders (IN, KY, IL). For more information, contact Andrew Smith at smit3744@purdue.edu or call 812-867-4935.
