

## IAH Quiz

Each quiz will be worth a .5 (one-half) CEU!

The Indiana Accredited Horticulturist Committee is pleased to provide you an opportunity to earn CEUs (continuing education units) in each issue of the *Indiana Nursery and Landscape News*.

The IAH quiz offered in each issue can be completed by anyone who is an "Active" (current) IAH (initial or masters).

**Each quiz will be worth a .5 (one-half) CEU** (continuing education unit) for the completion of the bi-monthly quiz with a pass rate of 80%. Over a 2-year period, you could earn up to 6 CEUs if you take and pass every quiz!

The INLA office will grade the quiz. Questions and answers have been provided by the IAH committee.

Thank you and good luck studying!
